Last updated: 23 April 2026

---

## 1. Organiser

This Prize Draw Campaign (“Campaign”) is organised by **Tangem AG**, a company organised and existing under the laws of Switzerland, with its registered office at Baarerstrasse 10, 6300 Zug, Switzerland (collectively “Tangem”, “we” or “us”).

## 2. Campaign Period

The Campaign runs from **5 May 2026 (00:00 UTC) to 5 June 2026 (23:59 UTC)**. Only purchases completed within this period are eligible. Tangem reserves the right to extend or shorten the Campaign period at its discretion, with prior notice published on the Tangem blog.

## 3. Eligibility

1. The Campaign is open to individuals who purchase a Tangem hardware wallet during the Campaign period via an affiliate or referral link.
2. Both the affiliate program and the user-to-user referral program are included.
3. Participation is void where prohibited or restricted by applicable local laws and regulations. It is the participant’s sole responsibility to verify that entering the Campaign and receiving a prize does not violate the laws of their country or jurisdiction of residence.
4. Employees of Tangem AG and their immediate family members are not eligible to participate.

## 4. How to Enter

5. Entry is automatic. Every eligible Tangem hardware wallet item purchased during the Campaign period through an affiliate or referral link constitutes one (1) entry into the draw.
6. Entries are counted per item, not per order. An order containing multiple items generates one entry per item (e.g. 1 order with 3 wallets = 3 entries).
7. No additional registration, form submission, or opt-in is required.
8. There is no limit to the number of entries a single participant may accumulate during the Campaign period.

## 5. Prizes

The following prizes are available in the Campaign:

9. **\$10 worth in BTC** — 60 prizes
10. **\$50 worth in BTC** — 25 prizes

11. **\$5,000 worth in BTC** — 1 prize
12. **iPhone 17 256GB** — 3 prizes (with free shipping)
13. **Tangem Ring** — 10 prizes (with free shipping)
14. **Tangem Pro Kit** — 5 prizes (with free shipping)

The BTC value of cryptocurrency prizes is determined at the market rate at the time of transfer. Prizes are non-transferable and cannot be exchanged for cash or alternative items unless otherwise agreed by Tangem at its sole discretion.

Shipping of physical prizes (iPhone 17, Tangem Ring, Tangem Pro Kit) is available only in countries where Tangem delivers. If a winner resides in a country where delivery is not available, Tangem will work with the winner to find an alternative delivery solution or offer a substitute of equivalent value, at Tangem's discretion.

## 6. Winner Selection

15. Winners will be selected by a randomised draw conducted internally by the Tangem team.
16. The draw will take place after a 30-day cooldown period following the end of the Campaign. This cooldown ensures that refund windows have closed and only legitimate, non-refunded purchases are included.
17. The winner announcement date is **5 July 2026**.
18. Only items that have not been refunded (fully or partially) by the draw date are eligible. Refunded items are automatically excluded, and entries are recalculated based on non-refunded items only.
19. Each entry may win no more than one (1) prize. A single participant may win multiple prizes if they hold multiple eligible entries.

## 7. Winner Notification and Prize Claim

20. Winning Order IDs will be published on the Tangem blog. For security and privacy reasons, only partial order identifiers and the winner's initials will be disclosed. The announcement may also be conducted via a live stream on the official Tangem Discord channel.
21. All winners will also be contacted individually via the email address provided at the time of purchase.
22. Winners must respond to the notification within **fourteen (14) calendar days** of being contacted by Tangem. Failure to respond within this period grants Tangem the right to forfeit the prize at its sole discretion. Forfeited prizes will not be re-drawn.
23. To claim a BTC prize, the winner must provide a valid BTC wallet address. To claim a physical prize, the winner must provide a valid shipping address and contact information.
24. Tangem communicates exclusively from @tangem.com email addresses. Winners should verify that any communication they receive originates from this domain. Tangem will never request payment, private keys, or seed phrases from winners.

## 8. Refunds and Fraud Prevention

25. Any order or item that is fully or partially refunded before the draw date is excluded from the Campaign. The corresponding entries are removed from the draw.
26. Tangem reserves the right to disqualify any participant and withhold any prize in cases of suspected fraud, abuse, or manipulation, including but not limited to: artificially inflated orders, bulk purchases followed by refunds, use of stolen payment methods, or coordinated schemes designed to exploit the Campaign.
27. Tangem's determination of fraud or abuse is final and not subject to appeal.

## 9. Taxes

Winners are solely responsible for any taxes, duties, levies, or other fiscal obligations arising from the receipt of a prize under this Campaign, in accordance with the laws of their country or jurisdiction of residence. Tangem does not provide tax advice and is under no obligation to withhold or report taxes on behalf of winners.

## 10. Privacy and Data

28. By participating in the Campaign, participants acknowledge that Tangem will process their Order ID, email address, and purchase data for the purposes of administering the draw, selecting winners, and delivering prizes.
29. Winner names (initials only) and partial Order IDs will be published on the Tangem blog as described in Section 7.
30. Personal data collected for the Campaign will be processed in accordance with Tangem's Privacy Policy, available at [tangem.com/privacy](https://tangem.com/privacy).
31. Data collected specifically for this Campaign will not be used for unrelated marketing purposes without the participant's separate consent.

## 11. Limitation of Liability

32. Tangem is not responsible for any loss, damage, or injury resulting from participation in the Campaign or the receipt or use of a prize, except where such liability cannot be excluded by law.
33. Tangem is not liable for any technical failures, network issues, or other circumstances beyond its reasonable control that may affect participation or prize delivery.
34. Tangem is not responsible for any fluctuation in the value of BTC between the date of the draw announcement and the date of prize transfer.

## 12. Modifications and Cancellation

Tangem reserves the right to modify, suspend, or cancel the Campaign at any time and at its sole discretion, including changes to the prize pool, Campaign period, eligibility criteria, or these Terms and Conditions. Material changes will be communicated via the Tangem blog. Continued participation after such changes constitutes acceptance of the revised terms.

## **13. Governing Law and Dispute Resolution**

These Terms and Conditions are governed by and construed in accordance with the laws of Switzerland, without regard to its conflict-of-law provisions. Any disputes arising out of or in connection with the Campaign shall be submitted to the exclusive jurisdiction of the courts of Zug, Switzerland.
