

# Terms, fees and limits for Tangem Pay Cards

applicable as of August 25, 2026

|                                     |                                      | Basic                                                                               | Plus                                                                                |
|-------------------------------------|--------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|                                     |                                      |  |  |
| Plan fee                            |                                      | \$0                                                                                 | \$29.99 / month                                                                     |
| Maximum cards per account           |                                      | 3                                                                                   | 5                                                                                   |
| POS Transaction Limits <sup>1</sup> | Daily POS Limit per card (USD)       | \$10,000.00                                                                         | \$50,000.00                                                                         |
|                                     | Annual POS Limit per card (USD)      | \$10,000,000.00                                                                     |                                                                                     |
|                                     | Number of POS Transactions per Day   | 100                                                                                 |                                                                                     |
|                                     | Number of POS Transactions per Month | 1000                                                                                |                                                                                     |
| ATM fees <sup>2</sup> and limits    | Withdrawal fee                       | 4%                                                                                  | 2%                                                                                  |
|                                     | Maximum number and amount            | 3 per 24 hours; \$250 per time                                                      |                                                                                     |

<sup>1</sup> Transaction and withdrawal limits are set based on your risk profile, verification level, and account history. These limits may differ for each Card holder and may be changed from time to time.

<sup>2</sup> Different usage types (such as domestic or international withdrawals) may apply and will determine the additional fees and limits charged for each transaction.

TANGEM PAY PROGRAM IS OPERATED BY PAERA LLC AND IS THE PARTY RESPONSIBLE FOR YOUR ONBOARDING INCLUDING PERFORMING KYC & AML VERIFICATION. PLEASE NOTE TANGEM WILL NOT HAVE ACCESS TO ANY INFORMATION OR DATA PROVIDED BY YOU TO PAERA LLC IN RELATION TO THE MAINTENANCE AND ISSUANCE OF TANGEM PAY CARD. TO KNOW MORE PLEASE READ THE [TERMS AND CONDITIONS AND PRIVACY POLICY](#).

<sup>3</sup> Availability of the feature may vary by jurisdiction. Eligibility is determined based on your country and region of residence. Whether the feature is available to you will be indicated in the mobile application. The service is provided in accordance with the [Terms of Service](#).

<sup>4</sup> Delivery costs are based on the logistics company's rates and depend on the recipient's final address; the exact delivery cost is displayed in the mobile app when ordering the card.

<sup>5</sup> Transactions made in a currency other than U.S. dollars will be converted at an exchange rate determined at the time of processing. The applicable exchange rate is subject to fluctuation and may vary based on market conditions, liquidity, and movements in currency values.
