A total of 900 wallets are available under this Campaign, each featuring a unique QR code sticker entitling the purchaser to one \$10 BTC Cashback claim, on a first-come, first-served basis while supplies last. The Campaign will end once all 900 wallets have been sold. Participants must submit their Claim by December 31, 2027; Claims submitted after this date will not be eligible for the Cashback.

2. Eligibility

The Campaign is open to individuals who, at the time of activation:

Are 18 years of age or older (or the age of majority in their jurisdiction, if higher);

Have purchased the eligible SKU (TG128X3-B) from a Tangem vending machine at a Participating Location during the Campaign Period; and

Activate the wallet through the Tangem application in accordance with Section 3.

Employees, contractors, and affiliates of Tangem and their immediate family members are not eligible to participate. Participation is void where prohibited by law.

3. How to Redeem

To participate, the purchaser must acquire an eligible SKU (TG128X3-B) wallet from a vending machine at a Participating Location. Each wallet is sold with a promotional sticker: the first, outer sticker contains a QR code linking to these Terms; once peeled off, a second sticker underneath reveals a unique QR code for the Cashback claim.

The participant must install the Tangem application, scan the unique QR code revealed under the first sticker, and submit the wallet address to which the \$10 BTC Cashback should be sent.

Cashback is available only for Claims submitted by December 31, 2027.

4. Participating Locations

Cashback is only available for purchases made at one of the 103 participating airport vending machine locations in the United States. No public list of specific locations will be published.

5. Cashback Reward

Each eligible activation entitles the participant to \$10 USD in Bitcoin (BTC), transferred to the wallet address submitted by the participant during the Claim process.

The Reward will be paid out no earlier than 15 (fifteen) calendar days after the participant's Claim has been successfully submitted and verified.

The USD/BTC exchange rate will be determined by Tangem at the time of transfer. Tangem is not responsible for any loss in value of Bitcoin following transfer. The reward is non-transferable and cannot be exchanged for cash or other assets. Limited to one Cashback reward per person. Participants are solely responsible for any taxes arising from receipt of the reward. Tangem makes no representations regarding tax treatment. Each unique QR code can be used for one Claim only.

Cashback payments are subject to Tangem's internal compliance checks. Tangem reserves the right to withhold payment where the wallet address triggers AML/sanctions concerns, identity cannot be verified, or the participant is located in a sanctioned jurisdiction.

5.1 Product Returns. The Reward is granted on the express condition that the purchase of the wallet is final. If a participant returns the wallet for a refund in accordance with the applicable retailer's return policy, their eligibility for the Reward for that purchase shall be void. The participant explicitly agrees that the total amount refunded shall be reduced by the fixed fiat value of the Reward (\$10.00 USD). By claiming the Reward, the participant consents to this deduction from any potential refund.

6. Disqualification

Tangem reserves the right to disqualify any claim where the wallet was not genuinely purchased from a Participating Location, activation was fraudulently obtained, or where Tangem reasonably suspects abuse of the Campaign.

7. General Conditions and Limitation of Liability

Tangem Inc. is the organiser of the Campaign. To the maximum extent permitted by law, Tangem accepts no liability for technical failures, activation errors, or fluctuations in the value of Bitcoin.

These Terms are governed by the laws of Delaware, subject to applicable mandatory consumer protection laws in the participant's jurisdiction.
